

## How to Play “Where’s Benny”

Beginning on the first of each month, visit the Best Benefits Club website, [www.bbcmember.com](http://www.bbcmember.com). On the homepage of the website will be a clue. Use the provided clue to search the website for a 2<sup>nd</sup> clue, which will be a listed within one of the discount categories. The 2<sup>nd</sup> clue will lead you to a 3<sup>rd</sup> clue, also hiding as a listing within a category. Use the 3<sup>rd</sup> clue to find Benny, the BBC mascot, who will be hiding within one of the discount listings. When you find Benny, click on him and enter your name, the company you receive your Best Benefits Club membership through, telephone number and e-mail address to be entered into the month’s drawing. At the end of the month, one winner will be selected at random to receive the noted prize from the month’s sponsor.

Entering more than once will NOT increase your chances of winning.

Some months there may be 2 prizes available. You are able to enter once for each prize.

You MUST log in to the website and search for the clues and the image of Benny. You are not able to click on the image on the homepage to enter.
